BIBLIOGRAPHY OF ELECTROPALATOGRAPHIC (EPG) STUDIES IN ENGLISH (1957-2013)

Fiona Gibbon
July 2013

Department of Speech and Hearing Sciences
University College Cork, Ireland
f.gibbon@ucc.ie

	Contents	Page
[I]	References describing the different EPG systems	2-3
[II]	General bibliography of EPG studies in English (1957-2012)	3-29
[III]	Bibliography of clinical applications of EPG	35-48
	1 Review articles on the use of EPG in speech and language therapy	35
	2 Speech Sound Disorders	35-38
	3 Cleft palate	38-40
	4 Down's syndrome	40
	5 Dysfluency	42
	6 Glossectomy	42
	7 Hearing impairment	42-43
	8 Laryngectomy	43
	9 Malocclusion and osteotomy	43-44
	10 Neurological (acquired)	44-46
	11 Neurological (developmental)	46
	12 Eating and swallowing	47
	13 Accent reduction	47
	14 Typically Developing Children	47
	15 Palate making	47

Let me know of any EPG references that should be included.
